electricity supplied to the residents of Bhatinda from Guru Nanak Dev Thermal Plant. They are also directed to refund the amount of octroi collected from the residents after 28.11.1994. This shall be subject to the production of proof by the individuals about the payment of octroi to respondent No.2. If the consumer is an industrial unit or commercial establishment, then the refund shall be admissible only on production of cogent evidence before the competent authority that element of octroi had not been added to the price of the goods/ services made available to wholesalers and retailers.
